[G] Ain't nobody gonna [Bm] steal this heart a-[C]way [D]
[G] Ain't nobody gonna [Bm] steal this heart a-[C]way [D]
[G] When the war is [Bm] over got to get a-[C]way [D]
[G] Pack my bag to [Bm] no place in no time, no [C] day [D]
[G] You and I we used each other's shoulder
[Am] Still so young but somehow so much older
[C] How can [D] I go [C] home and not get [D] blown a-[G]way

[G] [Gmaj7] [C] [D] [G] [Gmaj7] [C] [D]

[Em] You and I had our [Bm] sights set on something
[C] Hope this doesn't mean our [G] days are numbered
[Bm] I got plans for [C] more than a wanted [D] man
[Em] All around this [Bm] chaos and madness
[C] Can't help feeling nothing [G] more than sadness
[Bm] Only choice to [C] face it the best I [D] can

[G] When the war is [Bm] over got to start a-[C]gain [D]
[G] Try to hold a [Bm] trace of what it was back [C] then [D]
[G] You and I we sent each other stories
[Am] Just a page I'm lost in all its glory
[C] How can [D] I go [C] home and not get [D] blown a-[G]way

[G] Ain't nobody gonna [Bm] steal this heart a-[C]way [D]
[G] Ain't nobody gonna [Bm] steal this heart a-[C]way [D]
[G] Ain't nobody gonna [Bm] steal this heart a-[C]way [D]
[G] Ain't nobody gonna [Bm] steal this heart a-[C]way [D]

[C] [D] [Em] [Dm] [G]
