I am on a lonely road and I am travelling, travelling travelling travelling.
Looking for some-thing; what can it be?
Oh, I hate you some, I hate you some, I love you some.
Oh, I love you, when I for-get about me.

I want to be strong, I want to laugh a-long,
I want to be- long to the living.
Alive, alive, I want to get up and jive,
I want to wreck my stockings in some jukebox dive.

Do you want, do you want, do you want to dance with me, baby?
Do you want to take a chance, on maybe finding some,
Sweet romance with me baby? Now come on.

All I really, really want our love to do,
Is to bring out the best in me, and in you too.
All I really, really want our love to do,
Is to bring out the best in me, and in you.

I want to talk to you, I want to sham-poo you,
I want to re-new you, again and a-gain.
Applause a-pplause; life is our cause,
When I think of your kisses, my mind see-saws.

Do you see, do you see, do you see how you hurt me, baby?
So I hurt you too, then we both get; so blue.

I am on a lonely road and I am travelling,
Looking for the key to set me free.
Oh, the jealousy, the greed is the un-ravelling,
it's the unravelling,
And it undoes all the joy that could be.

I want to have fun, I want to shine like the sun,
I want to be the one that you want to see.
I want to knit you a sweater, I want to write you a love letter,
I want to make you feel better, make you feel, free.
Hmm, hmm, hmm, hmm, I want to make you feel, free,
Want to make you feel free.
