[I never been to California I don't know but I'd sure like to go
Well I think Arkansas is nice, it's all I know](#)

I never been to California I don't know but I'd sure like to go
Well I think Arkansas is nice, it's all I know

I stay'n at home, work with the family clockin' in to sell my soul
They say Arkansas is nice, it's all they know

I got a friend down in Mississippi, he plays keys at The Waterhole
He said the west was always fine

Ooo, I'm lazy, I'm a fool, I'm a fool for ya'
I'm so crazy for stayin' home, stayin' home
Sometimes I wonder what it's like to move away from ya'
Though it's always a dream just a dream

Met a girl, she's my lady I been with her for a year or so
She thinks Arkansas is nice, it's all she knows

Late at night or if the mornin's early we hear songs on my radio
And none say Arkansas is nice, but they don't know

That things are hard when your passin' thirty, never been outside of the lines
I want to see a stain of gold

Ooo, I'm lazy, I'm a fool, I'm a fool for ya'
I'm so crazy for stayin' home, stayin' home
Sometimes I wonder what it's like to move away from ya'
Though it's always a dream just a dream
