[G] I can't seem to [C] learn not to [G] love you  
You get to [D7] me every [G] time  
You're someone I [C] just can't say [G] no to  
And you're so good at [D7] changing my [G] mind

Here I go down that [C] wrong road a-[G]gain  
Going back where I've [D7] already [G] been  
Even knowing [C] where it will [G] end  
Here I go down that [D7] wrong road a-[G]gain

Though I see the [C] web that you're [G] weaving  
You and your [D7] soft easy [G] lines  
Before I stop to [C] think I'm be-[G]lieving  
And I'm falling for [D7] you one more [G] time

Here I go down that [C] wrong road a-[G] gain  
Going back where I've [D7] already [G] been  
Even knowing [C] where it will [G] end  
Here I go down that [D7] wrong road a-[G]gain

Here I go down that [C] wrong road a-[G]gain  
Going back where I've [D7] already [G] been  
Even knowing [C] where it will [G] end  
Here I go down that [D7] wrong road a-[G]gain
