[G] [C] [G] [C]

When your [G] body's had e-[Em]nough of me,
and I'm [Am] layin' flat out on the [D] floor,
when you [Cm] think I've loved you [G] all I can,
I'm gonna [D] love you a [D7] little bit [G] more.

[G] Come on over here and [Am] lay by my side,
I've [Am] got to be [D] touchin' [G] you,
let me [B7] rub your tired [Em] shoulders the [A7] way I used to [D] do.
[C] Look [G] into my eyes and [C] give [Am] me that smile,
the [Am] one that always [D] turns me [G] on,
and [B7] let me take your [Em] hair down
'cause we're [A7] stayin' up to greet the [D] sun.

When your [G] body's had e-[Em]nough of me,
and I'm [Am] layin' flat out on the [D] floor,
when you [Cm] think I've loved you [G] all I can,
I'm gonna [D] love you a [D7] little bit [G] more.

[G] [C] [G] [C]

[G] Got to say a few things that have been on my [Am] mind,
and you [Am] know where my [D] mind has [G] been,
[B7] I guess I learned my [Em] lessons, and [A7] now's the time to be-[D]
gin. [C]

[C] So if you're [G] feelin alright and [C] you're [Am] ready for me,
I [Am] know that I'm [D] ready for [G] you,
we [B7] better get it [Em] on now,
'cause we [A7] got a whole life to live [D] through.

When your [G] body's had e-[Em]nough of me,
and I'm [Am] layin' flat out on the [D] floor,
when you [Cm] think I've loved you [G] all I can,
I'm gonna [D] love you a [D7] little bit [G] more.
