If only you believe like I believe baby
like I believe we'd get by
If only you believe in miracles baby
in miracles so would I
If only you believe like I believe baby
like I believe we'd get by
If only you believe in miracles baby
in miracles so would I
I might have to move heaven and earth
To prove it to you baby

So we're makin' love and you feel the power
And I feel the power
Then there's really nothing that we can't do
If we wanted to baby
We could exist on the stars

It'd be so easy
All we gotta do
Is get a little faith in you
Oh I've been so many places
I've seen some things yes I have
I know that love is the answer, yes it is

Keeps holding this world together
Ain't nothing better ain't nothing better
And all the answers to our prayers
Hell it's the same every-where's now baby
Nothing ever breaks up the heart
Only tears give you a-way
Then you're right where I found ya
With my arms a-round ya
Oh baby baby baby love is a magic word yeah
Few ever find in a lifetime
But from that very first I look in your eyes
I knew you and I had but one heart
Only our bodies were a-part

That was so easy so easy
I had a taste of the real world
Just a drop of it
When I went down on you girl
Don't ever stop it

If only you believe like I believe baby
like I believe we'd get by
If only you believe in miracles baby
in miracles so would I
If only you believe like I believe baby
like I believe we'd get by
If only you believe in miracles baby
in miracles so would I
I can hear windmills and rainbows
When- ever you're talkin'to me
I feel like swirling and dancin'
When- ever you're walking with me
You ripple like a river when I touch you girl
When I pluck your body like a string
When I start dancin' in-side ya
Oh baby you make me wanna sing
Yeah baby baby baby oh baby
Oh yeah all right
Baby we're sure doin' it tonight
Every-time you come by let me try
Pretty please with sugar on it

That's how I like it ooh
I can't even be- lieve it with you
It's like having every dream
I ever wanted come true
I picked up your vibes
You know it opened my eyes
But I'm still dreamin' yeah
And you're right where I found ya
With my arms a-round ya

If only you believe like I believe baby
like I believe we'd get by
If only you believe in miracles baby
in miracles so would I

If only you believe like I believe baby
like I believe we'd get by
If only you believe in miracles baby
in miracles so would I
So would I
So would I G]
