

Never Been To Spain

artist:Three Dog Night , writer:Hoyt Axton

Thanks Pencom

Well I never been to Spain
But I kinda like the music
Say the ladies are in-sane there
And they sure know how to use it
They don't a-buse it
Never gonna lose it
I can't re-fuse it

Well I never been to England
But I kinda like the Beatles
Well, I headed for Las Vegas
Only made it out to Needles
Can you feel it
It must be real it
Feels so good
Oh, feels so good

Well I never been to heaven
But I been to Okla-homa
Well they tell me I was born there
But I really don't re-member
In Okla-homa, not Ari-zona
What does it matter
What does it matter

Well I never been to Spain
But I kinda like the music
Say the ladies are in-sane there
And they sure know how to use it
They don't a-buse it
Never gonna lose it
I can't re-fuse it

Well I never been to heaven
But I been to Okla-homa
Well they tell me I was born there
But I really don't re-member
In Okla-homa, not Ari-zona
What does it matter?
What does it matter?
