[F] I left home for the bright lights,
to find some city night life
you're a [Bb] fool boy is what my mama [C] said,

[C] But from those harbour lights I strayed
Down the [F] Gardiner Expressway
in [G] old familiar footsteps did I [C] tread

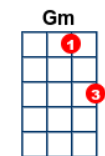

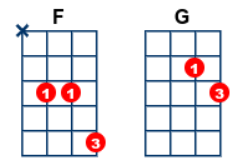

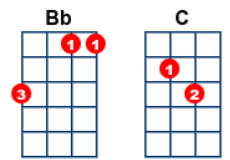

In these [F] shoes all worn and tattered,
with a heart so blue and shattered
seemed like [Bb] everything that mattered once was [C] dead

[C] Cause you could spend, spend and spend
and never get back change
You're a [Bb] fool boy is [C] what my mama [F] said.

[Bb] [C] [F]

[F] So here's to Roy, Dick and Harry
Cause it helped ease the worry
that you [Bb] naturally feel so far from [C] home

[C] And if its not the way you're brought up,
it's [F] easy to get caught up
in a [G] life thats bound to leave you all a-[C]lone

In this [F] suit of empty pockets,
there's a face inside a locket
hopes that [Bb] I don't have to hock it, for a [C] bed

[C] Cause you could spend, spend and spend
and never get back change
You're a [Bb] fool boy is [C] what my mama [F] said.

Yeah you could [C] spend, spend and spend,
and never get back change
You're a [Bb] fool boy is [C] what my mama [F] said.

[F] I left home for the bright lights,
the fast Toronto night life
You're a [Bb] fool boy ... [C]

[C] But from those harbour lights I strayed
Down the [F] Gardiner Expressway
in [G] old familiar footsteps did I [Gm] tread

[C] In these [F] shoes all worn and tattered,
with a heart so blue and shattered
seemed like [Bb] everything that mattered once was [C] dead

[C] Cause you could spend, spend and spend
and never get back change
You're a [Bb] fool boy is [C] what my mama [F] said.

[F] Yeah you could [C] spend, spend and spend,
and never get back change
You're a [Bb] fool boy is [C] what my mama [F] said.
