

It Must Be Love - Alt

artist:Madness

Thanks to Anne Kingdon

I never thought I'd miss you
Half as much as I do
And I never thought I'd feel this
Way, the way I feel about you

As soon as I wake up
any night any day
I know that it's you I need to
take the blues a-way
It must be love love love
It must be love love love
Nothing more nothing less {arpeggio} love is the best

How can it be that we can
Say so much without words

Bless you and bless me baby
Bless the bees and the birds

I've got to be near you
Every night, every day

I couldn't be happy baby
any other way
It must be love love love
It must be love love love
Nothing more nothing less {arpeggio} love is the best

As soon as I wake up
any night any day
I know that it's you I need to
take the blues a--way

It must be love love love
It must be love love love
Nothing more nothing less {arpeggio} love is the best

It must be love love love
It must be love love love
Nothing more nothing less {arpeggio} love is the best
(Slowing) {arpeggio}
