

Fortnight

artist: Taylor Swift , writer: Taylor Swift, Jack Antonoff, Austin Post

Thanks to rapirapjose and ultimate guitar

I was supposed to be sent away
But they forgot to come and get me
I was a functioning alcoholic
'Til nobody noticed my new aes-thetic

All of this to say, I hope you're o-kay
But you're the reason
And no one here's to blame
But what about your quiet treason?

And for a fortnight there we were forever
Run into you sometimes, ask a-bout the weather
Now you're in my backyard, turned in-to good neighbors
Your wife waters flowers, I want to kill her

All my mornings are Monday stuck in an endless Febru-ary
I took the miracle move on drug, the e-ffects were tempo-rary
And I love you, it's ruining my life (And I love you, it's ruining my life)
I touched you for only a fortnight (I touched you)
But I touched you

And for a fortnight there we were forever
Run into you sometimes, ask a-bout the weather
Now you're in my backyard, turned in-to good neighbors
Your wife waters flowers, I want to kill her

And for a fortnight there we were together
Run into you sometimes, comment on my sweater
Now you're at the mailbox, turned in-to good neighbors
My husband is cheating, I want to kill him

I love you, it's ruining my life, I love you, it's ruining my life
I touched you for only a fortnight, I touched you, I touched you
I love you, it's ruining my life, I love you, it's ruining my life
I touched you for only a fortnight, I touched you, I touched you

Thought of calling you but you won't pick up
Another fortnight lost in A-merica
Move to Florida, buy the car you want
But it won't start up 'til you touch, touch, touch me
Thought of calling you but you won't pick up
Another fortnight lost in A-merica
Move to Florida, buy the car you want
But it won't start up 'til I touch, touch, touch you
