[D] Where is the [D7] love? (Where is the [Gmaj7] love?)

Where is the [C7] love? (Where is the [Dmaj7] love?)

[Dmaj7] Where is the [D] love? (Where is the [G] love?)

Where is the [C7] love?

[Dmaj7] Where is the [D] love?

You said, you'd [Gmaj7] give to me

As soon as [C7] you were free

Will it [Fmaj7] ever be? [Bbmaj7]

Where is the [A] love?

[Dmaj7] You told me that you didn't [F] love him

[Bbmaj7] And you were gonna say good-[A7]bye

[Dmaj7] But if you really didn't [F] mean it

[A7] Why did you have to [A] lie?

[Dmaj7] Where is the [D] love?

You said, was [Gmaj7] mine, all mine

Till the [C7] end of time

Was it [Fmaj7] just a lie? [Bbmaj7]

Where is the [A] love?

[Dmaj7] If you had, had a sudden [F] change of heart

[Bbmaj7] I wish that you would tell me [A7] so

[D] Don't leave me hangin' on the [F] promises

[A7] You've got to let me [A] know

[Dmaj7] [D7] [Gmaj7] [C7] [F] [Bbmaj7] [A] [A7]

[Dmaj7] Oh, how I wish, I never [F] met you

[Bbmaj7] I guess, it must have been my [A] fate

[Dmaj7] To fall in love with someone [F] else's love

[A] All I can do is [A7] wait

[A] That's all I can do, yeah yeah

repeat and fade to end

[Dmaj7] Where is the [D7] love? (Where is the [Gmaj7] love?)

Where is the [C7] love? (Where is the [Dmaj7] love?)
