[C] [C]

[C] I've been a walking, [F]/ walking [C] in the moonlight,
Tripping in the starlight Lord, and I'm [G7] feeling down.
Walking in the [C] shadows, [F]/ sneaking [C] down the side road,
Come early morning I'll be [G7] there at the edge of [C] town.

[C] I was a-thinking, [F]/ thinking [C] 'bout a good thing,
Thinking bout a sweet gleam, mmm in my honey's [G7] eyes,
And I was a-[C]sinking, [F] feeling [C] kind of lonesome,
But come early morning I'll be [G7] home at my honey's [C] side.

[C] I have drifted up [F] across the moun-[C]tain,
And I have stumbled down the other [G7] side,
And I've been [C] tempted, [F]// tried and [C] troubled,
Come early morning I'll be [G7] home and satis-[C]fied.

[C] I've been a walking, [F]/ walking [C] in the moonlight,
Tripping in the starlight Lord, and I'm [G7] feeling down.
Walking in the [C] shadows, [F]/ sneaking [C] down the side road,
Come early morning I'll be [G7] there at the edge of [C] town.

[C] She give me a little loving, [F] give me [C] a little sunshine,
Make me have a good time, Lord, when I'm feeling [G7] blue,
I couldn't [C] refuse her, [F]/ well [C] I couldn't misuse her,
Come early morning I'll be [G7] home with my honey-[C]dew.

[C] I have drifted up [F] across the moun-[C]tain,
And I have stumbled down the other [G7] side,
And I've been [C] tempted, [F]// tried and [C] troubled,
Come early morning I'll be [G7] home and satis-[C]fied.

Come early morning I'll be [G7] home and satis-[C]fied. [G7] [C]*
