This is a deviation from the Drifters rock style

They say the neon lights are bright on Broad-way
They say there's always magic in the air
But when you're walking down that street
And you ain't had e-nough to eat
The glitter rubs right off and you're no-where on Broad-way

They say the women treat you right on Broad-way
But looking at them just gives me the blues
'Cause how you gonna make some time
When all you got is one thin dime
And one thin dime won't even shine your shoes on Broad-way

They say I won't last too long on Broad-way
I'll catch a Greyhound bus for home, they all say
But they're dead wrong, I know they are
'Cause I can play this here gui-tar
And I won't quit 'til I'm a star on Broad-way
