[G] [C7] [G]

If you could [G] see me now,  
[C] the one who [D] said that she'd [G] rather roam  
[C] The one who [D] said she'd rather [G] be alone,  
[C] if you could [D] only see me [G] now  
If I could [G] hold you now [C] just for a [D] moment,  
if I could [G] make you mine  
[C] Just for a [D] while, turn back the [G] hands of time  
[C] If I could [D] only hold you [G] now [G7]

I've been [C] too long in the [D] wind, [G] too long in the [C] rain  
[Am] Takin' any [D] comfort that I [G] can [G7]  
[C] Lookin' back and [D] longing for the [G] freedom of my [C] chains  
[Am] Lyin' in your [D] lovin' arms a-[G]gain

[G] [C]

If you could [G] hear me now  
[C] Singin' [D] somewhere through the [G] lonely night  
[C] Dreamin' [D] of the arms that [G] held me tight  
[C] If you could [D] only hear me [G] now [G7]

I've been [C] too long in the [D] wind, [G] too long in the [C] rain  
[Am] Takin' any [D] comfort that I [G] can [G7]  
[C] Lookin' back and [D] longing for the [G] freedom of my [C] chains  
[Am] Lyin' in your [D] lovin' arms a-[G]gain
