[G] Do I attract you? Do I repulse you with my [D] queasy [G] smile?
Am I too dirty, am I too flirty? Do I [D] like what you [G] like?
I could be wholesome, I could be loathsome, I guess I'm a [D] little bit [G] shy
Why don't you like me, why don't you like me, without making me try?

[G] I tried to be like Grace [F] Kelly
[C] But all her looks were too [D] sad
[G] So I tried a little [F] Freddie
[C] I've gone identity [D] mad!

[G] I could be brown, I could be blue, I could be violet [C] sky
I could be hurtful, I could be [D] purple, I could be anything you [G] like
Gotta be green, gotta be mean, gotta be everything [C] more
Why don't you like me, why don't you [D] like me?
Why don't you walk out the [G] door?

[G] How can I help it, how can I help it? How can I help what you [C] think?
Hello my baby, hello my [D] baby, putting my life on my [G] brink
Why don't you like me, why don't you like me? Why don't you like your [C] self?
Should I bend over, should I look [D] older, just to be put on your [G] shelf?

[G] I tried to be like Grace [F] Kelly
[C] But all her looks were too [D] sad
[G] So I tried a little [F] Freddie
[C] I've gone identity [D] mad!

[G] I could be brown, I could be blue, I could be violet [C] sky
I could be hurtful, I could be [D] purple, I could be anything you [G] like
Gotta be green, gotta be mean, gotta be everything [C] more
Why don't you like me, why don't you [D] like me?
Walk out the [C] door!

[Cm] Say what you want to [G] satisfy yourself, hey
[C] But [Cm] you only want what [G] everybody [Em7] else says you should [A] want, you [D] want

[G] I could be brown, I could be blue, I could be violet [C] sky
I could be hurtful, I could be [D] purple, I could be anything you [G] like
Gotta be green, gotta be mean, gotta be everything [C] more
Why don't you like me, why don't you [D] like me?
Walk out the [G] door!

[G] I could be brown, I could be blue, I could be violet [C] sky
I could be hurtful, I could be [D] purple, I could be anything you [G] like
Gotta be green, gotta be mean, gotta be everything [C] more
Why don't you like me, why don't you [D] like me?
Walk out the [Em7] door! [D]

[C] [Am] [G] [F].
