Round, round, get around I get around
Yeah, get around, round, round, I get around
I get around (get around, round, round, I get around)
From town to town (get around, round, round, I get around)
I'm a real cool head (get around, round, round, I get around)
I'm makin' real good bread (get around, round, round, I get around)

I'm gettin' bugged driving up and down this same old strip
I gotta find a new place where the kids are hip

My buddies and me are getting real well known
Yeah, the bad guys know us and they leave us alone

I get a-round (get around, round, round, I get around)
From town to town (get around, round, round, I get around)
I'm a real cool head (get around, round, round, I get around)
I'm makin' real good bread (get around, round, round, I get around)
I get a-round, round, get around round, wah-oooh

Wah-wa-oooh
Wah-wa-oooh
Wah-wa-oooh

We always take my car, 'cause it's never been beat
And we've never missed yet with the girls we meet

None of the guys go steady 'cause it wouldn't be right
To leave their best girl home on a Saturday night

I get a-round (get around, round, round, I get around)
From town to town (get around, round, round, I get around)
I'm a real cool head (get around, round, round, I get around)
I'm makin' real good bread (get around, round, round, I get around)
I get a-round, round, get around round, round, round ooh

Round, round, get around I get around
Yeah, get around, round, round, I get around
I get around (get around, round, round, I get around)
From town to town (get around, round, round, I get around)
I'm a real cool head (get around, round, round, I get around)
I'm makin' real good bread (get around, round, round, I get around) I get around Ooh
