[G] [Em] [G] [Em] [G] [Em]

[G] Down in [Em] Jamaica they got [G] lots of [Em] pretty woman
[G] Steal your [Em] money then they [Am7] break your [D7] heart
[G] Lonesome [Em] Sue she's in [G] love with ol' [Em] Sam
[Am7] Take him from the [D7] fire into the [G] fryin' [Em] pan

On and [Am7] on, She just [Dsus4] keeps on [D] trying
[G] And she smiles when she [E7] feels like crying
O-[Am7]on and on, on and [D7] on, on and o-[G]on [Em] [G] [Em]

[G] Poor ol' [Em] Jimmy sits a-[G]lone in the [Em] moonlight
[G] Saw his [Em] woman kiss a-[Am7]nother [D7] man
So he [G] takes a [Em] ladder, steals the [G] stars from the [Em] sky
[Am7] Puts on Sin-[D7]atra and [G] starts to cry-[Em]yy

On and [Am7] on, he just [Dsus4] keeps on [D] trying
[G] And he smiles when he [E7] feels like crying
O- [Am7] on and on, on and [D7] on, on and o-[G]on [Em] [G] [Em]

When the [Am7] first time, is the [Bm7] last time
It can [Am7] make you [D] feel so / [G] [G7] / bad
If you [Am7] know it, [Bm7] show it,
Ho-[Em7]ld on [A7] tight don't [Am7] let her say good-ni-i-i-[G]ight [Em]
[G] [Em] [G] [Em] [G] [Em]

Got the [G] sun on my [Em] shoulders and my [G] toes in the [Em] sand
[G] Woman's [Em] left me for some [Am7] other [D7] man
Ah but [G] I do-[Em]on't care -- I'll just [G] dream and stay [Em] tanned
[Am7] Toss up my [D7] heart and [G] see, where it [Em] lands

On and [Am7] on, I just [Dsus4] keep on [D] trying
[G] And I smile when I [E7] feel like dying
On [Am7] and on, on and [D7] on, on and o-[G]on [Em] [G] [Em]
On [Am7] and on, on and [D7] on, on and o-[G]on [Em] [G] [Em]
On [Am7] and on, on and [D7] on, on and o-[G]ooo-[Em]oon
[G] [Em] [G] [Em] [G]*
