*Thanks to Rob Goff*

[NC] When the twilight is gone, [Dm] ah [E7] ah, and no songbirds are singing. [Am] ah  
[Am] When the twilight is gone, [Dm] ah [E7] ah, you come into my heart [Am] ah  
And [Dm] here in my [F] heart, you will [E7] stay - while I [A] pray

My [A] prayer, is to linger with [F#dim] you.

At the end of the day, [Dm] in a dream that's di-[A]vine. [E7]

My [A] prayer is a rapture in [F#dim] bloom,

With the world far a-[Dm]way, [E7] and your lips close to [A] mine. [Dm] [A]

Break

To-[Dm]night, while our hearts are a-[Am]glow

oh, [Dm] tell me the words, [B] that I'm longing to [E7] know (pause)

My [A] prayer and the answer you [F#dim] give,

may they still be the [Dm] same, for as long as we [A] live,

that you'll always be [D] the-[E7]ere - [NC] at the end of my [A] prayer. [Dm] [A] [Dm] [A]\*
