Thanks to Stephen Nash

[Em] And if I said

[C] I really knew you well,

[G] What would your answer be?

[Em] If you were here today.

[Eb] ooh- [F] ooh- [Cm] ooh-

[C] Here [Cm] to-[G]day.

[Em] Well knowing you,

[C] You'd probably laugh and say

[G] That we were worlds apart.

[Em] If you were here today.

[Eb] ooh- [F] ooh- [Cm] ooh-

[C] Here [Cm] to-[G]day.

[C] But as for me,

[F] I still remember how it was [C] before.

[F] And I am holding back the tears [C] no [Am] more [Em]

[C] No [Am] No- [Em] No [F] I love [G#] you, ooh.

[G] What about the time we met? (what about the time)

Well I [Eb] suppose that you could say that we were [Em] playing hard to get.

[Em] Didn't understand a thing, but we could [Am] always [D7] sing. [Em]

What a-[Em]bout the night we cried? (what about the night)

because there [Eb] wasn't any reason left to [Em] keep it all inside.

[Em] Never understood a word

but you were [Am] always [D7] there with a [Em] smile

[Em] And if I say

[C] I really loved you

[G] and was glad you came along.

[Em] If you were here today

[Eb] ooh- [F] ooh- [Cm] ooh-

[C] For you [C] were in my [G] song.

[Eb] ooh- [F] ooh- [Cm] ooh
