[Em] [C] [Am] [Bm] x2

[Em] I can feel the [C] temperature rising, [Am] burning 'til [Bm] night
[Em] I can wait a [C] thousand years here [Am] to say something [Bm] right
[Em] We can change the [C] whole situation, [Am] we could make it [Bm] right

[Em] We'll sur-[C]vive
[Am] We'll sur-[Bm]vive

[Em] [C] [Am] [Bm]

[Em] I can feel your [C] silent anger, [Am] I feel your [Bm] pain
[Em] Behind all your [C] sad intentions, [Am] we're just the [Bm] same
[Em] We could have a [C] conversation, [Am] trying to make it [Bm] right

[Em] We'll sur-[C]vive, yeah
[Am] We'll sur-[Bm]vive
[Em] We'll still sur-[C]vive

[Am] [Bm]
[Em] [C] [Am] [Bm]

[Em] Always sign a [C] loaded contract, [Am] backs against the [D] wall
[Em] I wonder where [C] all this started, [Am] do you wonder at [D] all?
[Em] We can change the [C] whole situation, [Am] we could make it [Bm] right

[Em] We'll sur-[C]vive, ay-[Am]yy
We'll sur-[Bm]vive
[Em] We'll still sur-[C]vive
[Am] We'll sur-[Bm]vive
[Em] Still sur-[C]vive [Am] [Bm]
