[Am] [Am] [Am]

[Am] Somebody's knocking, should I let him in  
[D7] Lord it's the devil, would [D] you look at him  
[F] I've heard about him, but [C] I never [F] dreamed  
[F] He'd have blue eyes and blue [E7] jeans [E7]

[Am] Well somebody's talking, he's whispering to me  
[D7] Your place or my place, well [D] which will it be  
[F] I'm getting weaker and he's [C] coming on [F] strong  
[F] But I don't wanna go [E7] wrong [E7]

[Dm] He must have tapped my [G] telephone line  
[Dm] He must have known I'm [G] spending my time a-[C]lone [C]  
[Dm] He says we'll have one [G] heavenly night  
[Dm] My fever's burning so he [G] ought to be right at [C] home [E7] [Am] [Am]
