[Dsus4] Oooh-oooh-oooh-oooh **[Dsus4]***

I saw her a-**[G]**gain **[G7]** last **[C]** night, and you **[F]** know that
I **[G]** shoul-**[G7]**dn't... **[Em]** ...just **[D]** string her
A-**[G]**long's **[G7]** just not **[C]** right, if I **[F]** couldn't
I **[G]** wou---**[F7]**oul----**[E]**dn't

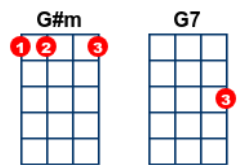

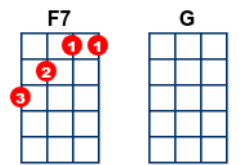

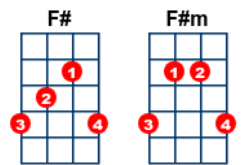

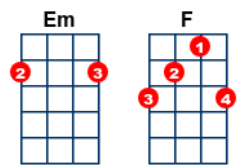

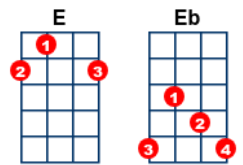

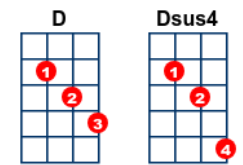

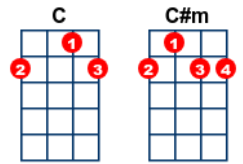

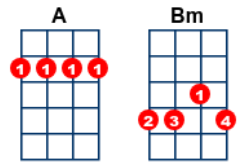

...But **[E]** what can I **[A]** do...I'm lonely **[D]** too, and it makes me
[G] Feel so **[Bm]** good to **[Em]** know **[Eb]** she'll never
[G] Leave me... **[Dsus4]***

I'm in way **[G]** o-**[G7]**ver my **[C]** head, now she **[F]** thinks that
I **[G]** love **[G7]** her, **[Em]** be-**[D]**cause that's
[G] What **[G7]** I **[C]** said, though I **[F]** never think
[G]O----**[F7]**--of... **[E]** her

...But **[E]** what can I **[A]** do...I'm lonely **[D]** too, and it makes me
[G] Feel so **[Bm]** good to **[Em]** know **[Eb]** she'll never
[G] Leave me... **[G]**

[F#] Every time I **[F#]** see that girl
You **[G#m]** know I wanna lay down and **[G#m]** die
[E] But I really **[F#]** need that girl
[A] Though I'm livin' a **[A]** lie (though I'm livin' a **[C#m]** lie)
It makes me wanna **[F#m]** cry **[A]**
[Dsus4]*

I saw her a-**[G]**gain **[G7]** last **[C]** night, and you **[F]** know that
I **[G]** shoul-**[G7]**dn't... **[Em]** ...just **[D]** string her
A-**[G]**long's **[G7]** just not **[C]** right, if I **[F]** couldn't
I **[G]** wou---**[F7]**oul----**[E]**dn't

...But [E] what can I [A] do...I'm lonely [D] too... yeah, [D] and it makes me
[G] Feel so [Bm] good to [Em] know [Eb] she'll never
[G] Leave me [G]

[F#] Every time I [F#] see that girl
You [G#m] know I wanna lay down and [G#m] die
[E] But I really [F#] need that girl
[A] Though I'm livin' a [A] lie (though I'm livin' a [C#m] lie)
It makes me wanna [F#m] cry [A]
[Dsus4]* I saw her...[Dsus4]*

I saw her a-[G]gain [G7] last [C] night, and you [F] know that

A-[G]long's [G7] just not [C] right, if I [F] couldn't
I [G] wou---[F7]oul---[E]dn't

Fade to end

I'm [E] in way [G] o-[G7]ver my [C] head, now she [F] thinks that
I [G] love [G7] her, [Em] be-[D]cause that's
[G] What [G7] I [C] said, though I [F] never think
[G]O----[F7]--of... [E] her
