[G] Between the darkness on the [D] street, and the houses filling
[Em] up with light [C]
[G] Between the stillness in my [D] heart, and the roar
[Em] of the approaching night [C]
[G] Somebody's calling after [D] somebody, somebody
[Em] turns the corner out of sight [C]
Looking for somebody [G] [D] somewhere in the [Em] night [C] [D]

[G] [C] [D] x2

[G] Tender [C] is the [D] night [G] when you hold
[C] your baby [D] tight [G] [D]
Tender [G] tender [C] are the [D] motions,
tender is the [G] night [C] [D]

[G] Between a life that we ex-[D]pected, and the way it's
[Em] always been [C]
I can't walk back [G] in again, [D] after the way
[Em] we fight [D] [Em] [D] [Em] [D]
[G] When just outside there are [D] people laughing, living
[Em] lives we used to [C] lead
Chasing down the [G] love they need, [D] somewhere in the [Em] night [C] [D]

[G] Tender [C] is the [D] night, [G] tender and the benediction
[C] of the [D] neon light
[G] Tender [C] are the [D] hunters, tender is the [G] night [C] [D]

[G] [D] [G] [D] [G] [D] [Em] [C] [D]

[C] You're gonna want me to-[D]night,
when you're ready to surr-[C]ender
Forget about who's [D] right,
when you're ready to re-[C]member
It's another world at [Em] night,
when you're ready to be [D] tender
[D] Tender, [C] tender, [D] tender

[G] Tender, [C] [D] [G] tender, [C] [D] [G] tender, [C] [D] [G] tender [C] [D]

[G] And in the hard [C] light of an [D] angry sun,
[G] no one remembers [C] what was [D] said or done
[G] Tender [C] are the [D] words they choose,
[Em] you win, I win, [D] we [G] lose [D]

[G] [C] [D] x4

[G] Tender, tender [C] is the [D] night
[G] Tender, the benediction [C] of the [D] neon light
[G] Tender, tender [C] are the [D] hunters
Tender is the [G] night, when they
[C] hold [D] each other tight
[G] Tender, tender [C] are the [D] undercover
[G] Tender, the stranger [C] and the [D] secret lover
[G] Tender, tender [C] are the [D] motions
Tender is the [G] night, when you [C] hold
[D] your baby tight

[G] [D] [G] [D] [G] [D] [Em] [C] [D]
[G] [D] [G] [D] [G] [D] [Em] [Em] [C] [D]

fade to end
