Numbers in () brackets are number of beats for chord

[D](16) OR an intro---[D]/// [G]/ [D]/, [D]/// [G]// [D]*

We [G] said last year and the [A] year before
We were [D] gonna take a trip to a [Bm] sandy shore.
But [G] life always seemed to [A] get in the way.
It was [D] weighin' on my mind on [Bm] my lunch break.
I bit [G] into my burrito from [A] Taco Bell
And [Em] that's when it hit me. [A] I yelled:

[D] Holy Guacamole yeah, I gotta go.
Get away, hop on a plane down to Mexico.
Yeah, I [G] need a margarita or a mojito
[D] Under an umbrella chillin' on the cove,
[Em] Soakin' up the sun, swimmin' with the fish,
[A] Munchin' on a bunch of salsa and chips.

[D] Holy Guacamole, Don't ya wanna go.
I said Holy Guacamole, Baby let's go.

I been [G] scrollin' through Groupon [A] all day,
Found a [D] Mayan Rivera [Bm] getaway.
You [G] deserve it; book it; let's [A] take a chance.
I can [Em] already hear the mariachi [A]* band. chuck(3)

I been [G] scrollin' through Groupon [A] all day,
Found a [D] Mayan Rivera [Bm] getaway.
[G] Tell me aren't you just [A] dyin' to know
How [D] cute I'd look in a [Bm] sombrero.
You [G] deserve it; book it; let's [A] take a chance.
I can [Em] already hear the mariachi [A] band.

[D] Holy Guacamole yeah, I gotta go,
Get away, hop on a plane down to Mexico.
Yeah, I [G] need a margarita or a mojito
[D] Under an umbrella chillin' on the cove,
[Em] Soakin' up the sun, swimmin' with the fish,
[A] Munchin' on a bunch of salsa and chips.
