[C] [G7] [C] [C]

Well, I've been [C] singing in the bar since [C] God knows when [C]

Six nights a week [C]

I [C] rest on Sunday, then I'm [C] back again [C]

Six nights a [C7] week

I [F] stare at the same old faces [F]

And I [F] gaze out at the empty seats [F]

And [G7] think of when you said [G7] goodbye

[G7] Six nights a [C] week [C]

[C] Now crazy Charlie wants the [C] same old song

[C] Six nights a week

[C] He puts a dollar in the tip jar and [C] he sings along

[C7] Six nights a week [C7]

So I [F] play him the one about the [F] hotel

At the [F] end of a lonely [F] street

[G7] And wish that you'd walk [G7] through that door

[G7] Six nights a [C] week

[C] Well, [F] six nights a week, from [F] nine until two

Lord, what [C] else in the world am I sup-[G7]posed to [C] do

[F] A week with my buddies and I'm [F] starting to itch

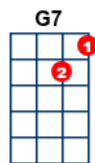

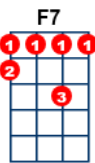

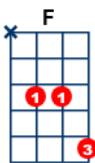

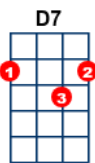

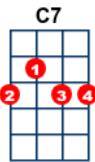

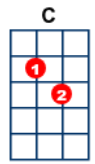

I'm [D7] left to draw your face on this [G7] same old stage [G7]

Well, I've been [C] singing in the bar since [C] God knows when [C]

Six nights a week [C]

I [C] rest on Sunday, then I'm [C] back again [C]

Six nights a [C7] week

I [F] stare at the same old faces [F]
And I [F] gaze out at the empty [F7] seats
And [G7] think of when you said [G7] goodbye
[G7] Six nights a [C] week [C]

[C] Louann sits on the [C] same bar stool [C]
Six nights a week [C]
No, she [C7] don't say nothing 'til she's [C7] had a few
Six nights a week [C7]
Then she [F] tells me she could make me [F] happy
And she [F] says it with a smile and a [F7] wink
But at [G7] two A.M I go [G7] home alone [G7]
Six nights a [C7] week

[C7] Well, [F] six nights a week, from [F] nine until two
Lord, what [C] else in the world am I sup-[G7]posed to [C7] do
[F] A week with my buddies and I'm [F] starting to itch
And I'm [D7] left to draw your face on this [G7] same old stage [G7]

[F] Six nights [G7] six nights a [C] week [C]
