Intro: [D]/// [F#m]/// [G]/// [A7]/// x2

[D] You're the only one that [F#m] I rely on,
[G] A shoulder there for [A7] me to cry on
[D] And the hours alone that [F#m] I'm without you,
[G] All I ever do is [A7] think about you

[Bb] No one knows that you're so [Cm7] understanding,
[Bb] Even though my love is [Cm7] so demanding
[D] Everytime you look at [Em] me then you'll know we'll both a-[F#m]gree
That no other love could [G] be...

[D] I [Em7] couldn't live with-[A7]out your [D] love
[G] Now I know you're [A7] really [D] mine
[G] Got to have you [A7] all the [D] time [F#m]/// [G]/// [A7]///

[D] Didn't like you much when [F#m] I first met you
[G] But somehow I couldn't [A7] quite forget you
[D] Said you didn't want a [F#m] friend or lover
[G] That your life was happy [A7] with another

[Bb] But as time went by my [Cm7] love grew stronger
[Bb] Knew that I just couldn't [Cm7] wait any longer
[D] For I couldn't let you [Em] go, and I had to tell you [F#m] so
That I loved you, then you'd [G] know

[D] I [Em7] couldn't live with-[A7]out your [D] love
[G] Now I know you're [A7] really [D] mine
[G] Got to have you [A7] all the [D] time [F#m]/// [G]/// [A7]///

Key change ignored

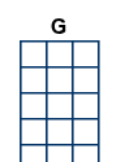

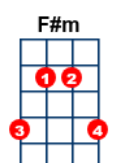

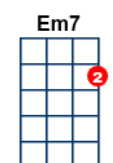

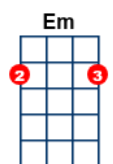

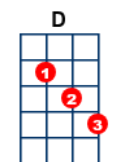

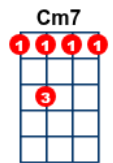

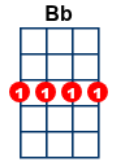

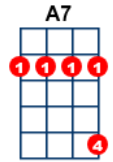

[D] You're the only one that [F#m] I rely on,
[G] A shoulder there for [A7] me to cry on
[D] And the hours alone that [F#m] I'm without you,
[G] All I ever do is [A7] think about you

[Bb] Now the tears are gone and [Cm7] I'm not cryin'
[Bb] When you say you love me [Cm7] you're not lyin'
[D] So when people want to [Em] stare I know I don't really [F#m] care
Just as long as you are [G] there

[D] I [Em7] couldn't live with-[A7]out your [D] love
[G] Now I know you're [A7] really [D] mine
[G] Got to have you [A7] all the [D] time [F#m]/// [G]/// [A7]///
